

Stonehurst IV

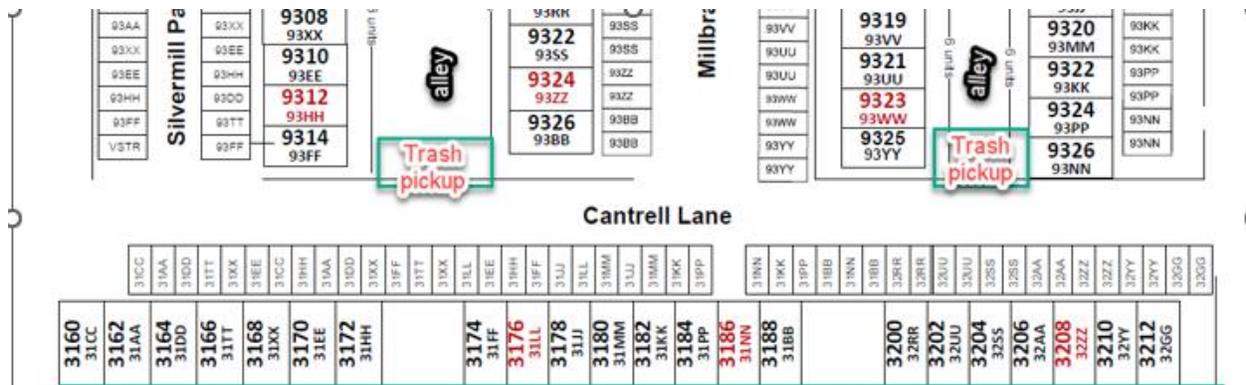

Trash Collection during SNOW Time!

IMPORTANT!

Trash pickup remains on Tuesdays and Fridays. Recycling is on Wednesdays. The alleys still have snow and Thompsons can't access them. Please place your trash bags **at the end of the alley** ending on Cantrell Lane as shown on the map below. Please **DO NOT** place the trash on Stonehurst Dr. Keep in mind that this will be valid every time we have a lot of snow during the winter and the alleys are not clear.

All questions about the trash should be directed to **Cathy LeMaster** at: SHIVBoardVP@gmail.com

REMINDER: Non-residents, please convey this message to your tenants. It is your responsibility to do so. Thank you!
